CONSERVATIVE MEETING HELD LAST MONDAY

A meeting of the Sidney and North Saanich Conservative Association was held on Monday, May 4th, in the Scout Hall, President Harvey in the chair.

After the completion of routine business the meeting was addressed by Mrs. B. Deacon, who gave a short talk on conditions in Sidney as compared with other places in the province. The three items touched upon were the mail service, the good roads, and the water service.

The mail service, she said, was incomparably better than the other small towns in the province, as the Post Office was not closed on the weekly half holiday, whereas, nearly every other small post office did close on the half holiday and travellers were very much inconvenienced by not being able to get their mail and were in many cases obliged to remain longer than they wished to do on that account, and also there were towns that only got their mail three times a week (though there were trains passing through six days a week) instead of the double mail service which Sidney gets.

The roads in North Saanich were wonderful when compared with others, even before the paving was done. She had driven an 82-mile drive where the car simply plowed its way through mud, and the muddy water came down in showers upon the top of the car, and other places when rain fell the roads were simply impassable, so Saanich has fared

NEW TEA ROOM TO OPEN NEAR REST HAVEN

On the hill overlooking the calm waters of beautiful Shoal Harbor, on Beach Road, is situated the lovely home of Mr. and Mrs. B. Deacon; here Mrs. Deacon plans to open a tea room, which will be of a very up-to-date nature. Home-cooking and perfect quiet will make this especially attractive. Beach Road is just off Marine Drive, which is traversed by hundreds of motorists during the tourist season, thus making this an ideal spot for such an opening as this. The situation of the tea room will add greatly to the pleasure of tourists and visitors to Rest Haven Sanitarium and Hospital and those taking the ferry to Salt Spring Island, as there is no such convenience as this after passing through Sidney.

PLAY AUGMENTS HOSPITAL FUND

By Review Representative
GANGES, May 7th. — The play entitled "The Incubus," kindly put on at the Mahon Hall, Ganges, Friday evening, May 1st, by the Pender Island Players, for the benefit of the Lady Minto Gulf Islands Hospital, was well received and enjoyed by the large attendance. The proceeds, clear of expenses, amounted to \$88.00.

The program opened with the singing of "O Canada," followed by a recitation, "The Inventor's Wife," by Mrs. McNeil. Two vocal solos by Mrs. Scoones and songs by Captain Macintosh, M.L.A., accompanied by Mrs. Scoones at the piano were next in order, followed by a recitation, "Spotty," by Rev. Myers. The two-act comedy, "The Incubus," then was presented, much to the amusement of those present. The singing of the National Anthem brought the program to a close.

The following ladies took entire charge and superintended the supper, Mrs. Charlesworth, Mrs. H. Johnson, Mrs. Percy Lowther, Miss B. Shaw, Mrs. Gavin Mount and Miss D. Akerman.

Following the performance the floor was cleared for dancing, Hague's orchestra furnishing the music. Several of the young people arrived later specially for the dance.

SPECIAL TREAT NEXT SUNDAY, ALL WELCOME

On Sunday afternoon next, May 10th, Rest Haven will observe National Hospital Day by opening its doors for public inspection. The nursing staff will be organized under Miss Florence Harrison, R.N., the new superintendent of nurses, and will show visitors systematically through the institution. During the afternoon the Empress Hotel Concert Trio, led by Professor W. F. Tickle, will provide appropriate concert music. Lunch will be served to visitors at 4:00 p.m. in the sanitarium dining room.

It will be well worth the while of the citizens in this community to take this opportunity of becoming more acquainted with the hospital at Rest Haven and the service it is able to render as well as noting the improvements that have been made over the past year.

LOCAL PIONEER IS LAID TO REST

Funeral service of the late John Edward Bell was held on Tuesday afternoon. A short service was conducted at 1:45 o'clock at the Sands Funeral Chapel and at 2:30 o'clock service was conducted at the South Saanich United Church by Rev. Thos. Keyworth. During the service the hymns sung were "Jerusalem, My Happy Home," and "Forever With The Lord." "Some Day The Silver Cord Will Break," was sung as a solo by Mrs. Thos. Keyworth.

Following the services interment was made in the Shady Creek Cemetery, with the following as pallbearers, Alex. McDonald, D. H. Meyer, E. R. Hall, Wesley Cowell, S. Sidwell and Mr. King.

The church was filled and many more had to stand outside, with friends who gathered to pay their last respects to a very prominent citizen of the district. Numerous beautiful floral tributes covered the casket and hearse.

The death took place very suddenly Sunday morning at the family residence, East Saanich Road.

The late Mr. Bell was 70 years of age. He was born in Meaux, Yorkshire, England, and had been a resident of Vancouver Island for 40 years. He is survived by his wife and one sister and niece in England.

Finlay A. Murcheson, Pioneer Of Galiano Island, Laid To Rest

Special to the Review
GALIANO, May 7th. — Finlay Alexander Murcheson, a pioneer farmer of Galiano Island, passed peacefully away on Thursday afternoon, April 30th, 1931, in St. Paul's Hospital, Vancouver, after some weeks illness though only entering the hospital two days previously.

By his decease Galiano has lost one of her most respected residents. Born in Kansas City on September 26th, 1868, to Finlay and Mary Murcheson, who had settled there from the Highlands of Scotland, he was brought into British Columbia by his parents who settled in this province in 1870 when he was two years old. About the year 1880 his father took up land upon Galiano Island, and he came over with his parents from the mainland in his 13th year. When his father died he succeeded to the farm which had been developed out of the bush and at the age of 45 he married Miss Ethel Pounce, daughter of Mr. and Mrs. George Pounce of Boynton (now Bogor Regis), Sussex, England, who had come out from the Old Land to keep house for her uncle, the late Mr. Joseph Page, J.P., an early settler upon Galiano. The marriage took place on May 10th, 1913, from the home of the late Mrs. Gow of Vancouver, a sister of the late Mr. F. A. Murcheson, and four sons, Finlay, Angus, Colin and Gordon, and three daughters, Rosamond, Jean and Dorothy, have been born to them; these with their mother mourn the loss of a loving father and devoted husband.

For no less than 26 years the late Mr. Finlay A. Murcheson has had charge of all road construction and road repairs at the south end of Galiano besides being fire warden of this locality. He has also taken the keenest interest in the local school, do-

minating the present school site, and acting as a trustee and secretary to the Galiano School Board for many years.

Galiano Wharf head was thronged with representatives of almost every family of the Island, as well as from other islands, as the S.S. Princess Royal brought back the remains of this much respected citizen on Saturday morning last. The Department of Public Works was represented by Mr. George T. Michell, superintendent of roads. The pallbearers were Messrs. George Georgeson, Stanley Page, A. Deacon, J. Burrill, V. Zala and A. Lord. A service was conducted by the Rev. John Mayer, vicar of Mayne, Galiano, Sarnia and Pender Islands, in the Galiano Mission Hall, which was crowded to capacity, whilst many remained outside. The beautiful hymn, "Abide With Me," was sung in compliance with a special request sent by Mrs. Murcheson. The cortege then proceeded to the Galiano Cemetery, which is located at the southern entry to Active Pass, and there in that peaceful, picturesque spot the remains of this pioneer of the Island—who had himself taken considerable interest in the clearing and fencing in of this "God's Acre," and was a member of the Cemetery Committee—were reverently laid to rest.

Finlay Alexander Murcheson will be greatly missed for he was a man with the kindest of hearts and one ever ready to give a helping hand where it was needed. He was one of those pioneers who ever gave a warm welcome to the newcomer, and gave his support to any movement which he considered would be a benefit to the community.

The deepest sympathy goes out from the hearts of the people to this widow and young family in their irreparable loss.

DANCE OPENS TENNIS SEASON

The North Saanich Tennis Club held their opening dance of the season on Friday, May 1st, at the Deep Cove Hall. All participated in a most enjoyable time.

It was announced that due to the success of this dance, that in the future these dances will be held on the first Fridays of every month, in the Deep Cove Hall. Special to the Review

The sections covering horses, cattle, sheep, swine, goats, rabbits, poultry, grains, grasses, etc., field roots for stock, potatoes, vegetables and fruits, were revised, and additional classes in many cases added.

Special interest is being exhibited in the five classes which are being included in the prize list, and for which valuable prizes are to be given by the Saanich Council.

GANGES, May 7th. — On Thursday, April 23rd, about 1:30 p.m., Mr. Eddy Lambley, of Ganges, had the misfortune to have his launch burnt up whilst he and his brother-in-law, Sam Larden, were out in it off Ganges. The launch took fire through the engine back-firing. Every effort was made to extinguish the fire but in a few minutes the flames got beyond control. Sam Larden jumped into the water and swam for shore, Lambley staying for a few minutes longer and also taking for the water when he saw there was no possible chance of saving the vessel. BOARD of TRADE NEWS NOTES

CONTRIBUTORY UNEMPLOYMENT INSURANCE

A resolution was recently passed by the British Columbia Committee on Unemployment and Relief, and referred to the Board for an expression of opinion. The wording of the resolution is as follows: "Whereas: Unemployment is a problem of national character, and cannot be dealt with satisfactorily by civic and municipal authorities; therefore Be It Resolved: That we urge upon the Dominion Government the necessity of enacting legislation providing for the creation of a State Unemployment Insurance Fund, by assessments on industries, similar to the methods adopted with Provincial Compensation Funds, to be administered under the authority of the Dominion Government."

Plans have been prepared for a projected Tourist Hotel in North Saanich, to include a fine modern hostelry in the Tudor style, with about 20 rooms, and to have tennis courts and other attractions for visitors. With the abundant natural advantages of this district, such developments should be assured of success, and any endeavor to keep the tourists in our district should have our encouragement and support.

CLEAN-UP WEEK

Next week is Clean-Up Week. During this week everyone should make an endeavor to help tidy up the town. By far the most untidy part of Sidney is the condition of the sides of the roads. Residents who keep their gardens trim and their premises in good repair often let the road outside their property remain very untidy, and the fact that the roadway does not belong to them should in no way prevent a decent interest in keeping it as tidy as possible. If one owner or tenant makes an effort to make the front of the premises look cared-for, then the next door neighbor will feel it his duty to do the same, and the general result will be a great improvement.

Now is the time to brighten up with a little paint or stain, to get rid of the rubbish hidden away in the basement or shed, to fix your fences, see that your chimneys are in good condition and to have your flues cleaned.

GUIDES and BROWNIES

The weekly meeting of the First Sidney Guide Company was held as usual in their hall. The meeting opened with Inspection and the Promise, followed by a game on a review of the work, and a quiz. The recruits passed their fire-lighting test for Second Class, it being necessary to lay and light a fire without paper, and only two matches; also four recruits took their tracking test. The Second Class practised for the Athlete's Badge, composed of running, jumping, throwing, etc.

Deep sympathy was extended to Patrol Leader Catherine Hayward, who underwent an operation in the Jubilee Hospital last Saturday, and all wished her a speedy recovery.

One new recruit was welcomed to the company in June McKillican.

Court of Honor was held at the close of the meeting when various things were discussed amongst the leaders.

The meeting closed with the singing of "Taps."

CONSERVATIVE MEETING HELD LAST MONDAY

(Continued from Page One)

well to have such good roads.

The water question was then spoken about, and though the Sidney people thought they were charged a heavy rate for water it was not nearly so heavy as other places. In one small town in the Interior the householder was charged by the number of water taps he had, and a heavy charge was made per tap, consequently there were not many bathrooms or good gardens. Mrs. Deacon said she thought that all water should be free, as it was given by Providence for the use of mankind, in general, and not for a few speculators to make money from. Let the service be paid for, but not the water.

In some places in the Interior she had seen signs up on many farms saying that the water would be turned off by a certain time if the water dues were not paid, and there were at that time 125 farmers listed for the water to be stopped, and she asked why should such a thing be allowed? No one should have the power to deprive another person of the one thing which is a necessity of life, simply because through no fault of their own they cannot pay the heavy charges demanded by the speculators.

The balance of the evening was devoted to cards, the prize winners being: Ladies, 1st, Mrs. Deacon; consolation Mrs. Skinner. Gentlemen, 1st, Mr. F. Wright; consolation, Major Wilby.

Refreshments were served by the lady members, completing a very enjoyable evening.

Nancy Elliot, Miss K. Smith, Miss Stanbrooke, Miss Bride Wilson, Miss Denise Crofton, Miss Edna Morris, Miss Jean Mouat, Mrs. Palmer, sr.; Mr. and Mrs. Goodrich, Miss R. Stevens, Miss Lorna Rogers, Messrs. Ian Simpson, Wm. Mouat, Guy Cunningham, Harold Price, L. Mouat, Reginald Price, C. F. Roberts, Len Nicholls, Geo. Elliot, G. Parsons, Oliver Mouat, M. Mason, N. W. Bill was called to the telephone to talk with cousin George.

"Why, hello George?" he said. "When did you arrive in town?"

"I'm not in town!" chuckled George. "At least, not in your town — I'm still many, many miles away. This is a long-distance call."

"Can you beat that!" Bill exclaimed. "It sounds as though you were talking from just across the street."

So Bill learned something new. He had never dreamed that talking over the long-distance telephone was so easy. He uses the service often now.

NESTLÉ'S UNSWEETENED EVAPORATED MILK

NESTLÉ'S Evaporated Milk
is pure, safe cow's milk
with all useless water removed
... then sterilized and sealed in
airtight tins. Twice as rich as
ordinary bottled milk. It goes
farther because of its double
richness. Use it for cooking
and baking—as a beverage—
or with tea, coffee and cocoa.
Results always in added flavor
and appetizing richness.
